

grant me the  
f\*\*king  
serenity

wisdom for the impolite

God grant me the fucking serenity  
to accept the stupid shit I can't  
change,  
courage to change whatever the hell I  
can,  
and wisdom to know the goddamn  
difference.

*Apologies to Reinhold Niebuhr*

In four damn words I can sum up  
everything I've learned about life:  
it fuckin' goes on.

*Apologies to Robert Frost*

Whatsoever the fuck a man soweth,  
that bitch shall also reap.

*Apologies to Galatians 6:7*

It's better to be fucking quotable than honest.

*Apologies to Tom Stoppard*

Know thy fucking self.

*Apologies to the ancient Greeks*

A foolish consistency is the hobgoblin  
of little shitty minds.

*Apologies to Ralph Waldo Emerson*

Study the piss-drinking past if you  
would define the fucking future.

*Apologies to Confucius*

A ship in port is safe as shit,  
but that's not what ships are fucking  
for.

*Apologies to Grace Hopper*

You can beat the asses of forty  
scholars with one dumb fact,  
but you cannot beat one dumbass  
with forty facts.

*Apologies to Rumi*

When thou hast fucked up,  
be not afraid to correct thy damn self.
